Recovery and Health:

Recovery All Ways (RAW)

Description

"Recovery All Ways is a support group for those affected by substance use disorder, mental health issues and homelessness. We support multiple pathways to and in recovery. We meet people where they are at with open arms and no judgment."

Specialized LGBTQ+ Chemical Dependency Care (Rochester Regional Health)

Together: Your Goals and Our Affirming Care

Substance use disorder can be a major life hardship—getting help shouldn't be. But, culturally competent care has not always been available to those who identify as lesbian, gay, bisexual, transgender, queer/questioning, and people of all sexual and gender identities who are part of the LGBTQ+ community. Rochester Regional Health Chemical Dependency Services is ready to change that.

We have created a program filled with inclusive recovery services that revolve around your needs, your goals, and who you are. Our safe, welcoming and respectful space affirms every human's rich diversity of sexual orientation, gender identity, and gender expression while offering unparalleled chemical dependency care.

Social Resources:

Genesee Valley Gender Variants (GV²)

"Genesee Valley Gender Variants (GV²) was founded as a social meet-up group for gender expansive people centered on the Genesee Valley area of upstate New York and our allies. We welcome all gender identities, all gender presentations, and all sexes. We provide room for you to discover yourself and to be yourself, in whatever ways make you unique. We welcome you to bring friends, partners, family members, co-workers, and other folks who are willing respect our names and gender pronouns.

There is no requirement to attend every meeting. Come when you are able and help make the group the community event it has grown to be!

We have weekly meetings Thursdays in-person at Equal Grounds Coffee Shop from 7-9pm. The address is 750 South Ave. Rochester, NY, 14620."
